

Skill Development Training Under ASCI

Skill Development Training Under ASCI

- Nursery Worker
- Mushroom Grower

For self employment generation, KVK Buldana-I organized Skill Development training programme under ASCI on Nursery worker and Mushroom Grower job roles. Both the 30 days trainings programmes were completed during 17th February to 22nd March 2020. Each training programme was having 20 rural youth each. Nursery Worker training was co-ordinated by Mr. Shashank Datey, SMS Horticulture and Mushroom Grower by Ku. Jyoti Bobde, PA, Home Science.

During this detailed knowledge about the training course was given by the co-ordinators, experts from relevent field, demonstration was also given to students. Exposure visit was also organized for participants.
