

## Extension Activities

**Agricultural extension** is the application of scientific research and new knowledge to agricultural practices through farmer, farm women , rural youth & extension workers education. The field of 'extension' now encompasses a wider range of communication and learning activities organized for farming community by scientists from different disciplines. For effective transfer of technology upto grass root level, every year KVK conducts extension activities like Agriculture Technology Week, Krishi Pradarshini, Kisan Mela, Kisan Goshti, Shivar Pheri, Field Day, World Food Day, World Women Day, Vaccination camp, Method Demonstrations, Group Meetings, Diagnostic visits, Farmers visit, Swachhata activities, Extension Literature like Folders, Booklets & Popular Articles etc.. Also telecast Video shows, Radio talk & TV shows. During 2023 KVK conducted 709 extension activities covering 48799 participants.

Kisan Mela

Soybean Diagnostic visit

Farmer-Scientist Interaction

Field Day on Bengalgram

PDKV Scientists visit to Citrus Orchards
